Neuware - 'victim of paralyzed judicial system have no restitution'. justice is a multidimensional concept, it not only includes the check on criminals but also to satisfy the demand of the victim. In a developing nation like India the majority of the population is struggling for it's two time meal, in such circumstances the fight for justice becomes secondary and mere conviction will bring no use to the victims as for them the their suffering could better be reimbursed in monetary form by which they will be able to mend their loses.
