TWEETS AND HURRICANES (PAPERBACK)

Sandy Stream Publishing, United States, 2014. Paperback. Condition: New. Yoko Matsuoka (illustrator). Language: English. Brand new Book. A perfect series for both adults and children who are recovering from trauma, or for therapists to use with their patients. After Sparky, a baby bird, is snatched from his mother's loving arms by a giant, his mother follows to try to rescue him. Eventually, Sparky manages to escape from the giant's castle, and Sparky and his mama are reunited. But they both carry deep scars from their ordeal and must now heal themselves after their terrible difficulty, something that is not as easy as one might think. Will the sparkle return to Sparky's eyes? Will Sparky's mama ever dance like a river again? Tweets and Hurricanes is Book 3 of the heart-warming and thought-provoking River series by Sandy Stream. The series tells the story of Sparky, Sparky's mama, and her other offspring, but essentially, it tells the stories of all of us. Each book has lessons for each of us on how to have the courage to access our deepest wounds and heal them. This is a perfect series for those who want to explore their experiences using a fresh, honest, and intuitive approach.
